Our taxes pay for the building of these roads and, as such, they belong to us – they are not “theirs” to tax (toll).

Our roads are created in fee simple – We, The People own them – we cannot be charged to use them.

I am expressing my Will that our roads remain free from tolls – as section 92 of the Commonwealth

Constitution dictates – and I do not authorize you to approve any such proposal.

This is just absolute madness and is the ultimate in revenue raising.
