Our roads are created in fee simple – We, The People own them – we cannot be charged to use them  
Our taxes(the people) pay for the building of these roads and, as such, they belong to us – they are not  
“yours” to tax (toll).

I express my Will that our roads remain free from tolls – as section 92 of the Commonwealth Constitution  
dictates – and I do not authorise them to approve any such proposal.

By turning your back on the Will of the people and the Commonwealth Constitution is known as  
Treason,and the penalty for treason is IMPRISONMENT!.
